

CUSTOMER SERVICE CHARTER

Introduction

The Customer Service Charter (“the Charter”) sets out our commitment in delivering a high standard of customer service. By this, we will abide by our core values to listen to the Voice of Customers and understand your needs, while building enduring relationships with you by delivering superior products and quality service that meet your expectations. The Charter outlines the type of service we aim to provide, how to contact us and give us feedback, particularly on how we can assist you effectively. Your satisfaction is of utmost importance to us.

Key Commitments

We will continuously work towards improving the standards of service and our relationship with you will be guided by the following key principles:

Accountability

- i. All our products and services comply with the relevant laws and regulations of Malaysia.
- ii. We will explain and help you understand the benefits of our products and services that you are interested in, how they work and the risks involved.

Fairness

- i. We will act fairly and reasonably towards you in a consistent and ethical manner.
- ii. We will act in accordance to a clear set of established procedures to ensure that any dispute will be resolved fairly and quickly. Customer or members of public can contact us via any of the service channels listed at our website at www.touchngo.com.my to lodge a complaint.
- iii. We will as far as possible not discriminate against age or gender and will make available products and services on the same terms to all our customers.

Privacy and Data Protection

- i. We will treat all your personal information and data as private and confidential and ensure the safety and security of the usage of your information. Your personal information will not be used and/or revealed to any party except for the purpose of communication/dissemination of information related to our products and services and for providing our services to you unless otherwise authorised by you or required by law to do so.

Reliability

- i. We as a responsible corporate entity will ensure that you enjoy secure and reliable electronic payment system that you can trust.

Transparency

- i. We will provide you with clear, relevant and timely information to help you make an informed decision about our products and services. Where applicable, a set of Terms and Conditions relating to each product or services will be made readily available to you with all the fees and charges and obligations in the use of products and services highlighted.
- ii. We will inform you, through various channels (e.g. over the internet, by telephone, e-mail or at our Service Counters) of available products and services. You can contact us for more information or to provide feedback through these channels.

Standards of Service

As we work towards improving our standards of service, we aim to provide our service efficiently and effectively. To achieve this, we have set out below the time frames within which you can expect us to deliver the respective services. We recognize that there will always be room for improvements, and as we establish new and better ways of working, we will formalize processes and procedures and include them here in our Customer Service Charter. This Customer Service Charter is for information purposes only and is not intended to, and does not, create any legally binding rights or obligations.
