

PARKING

Faster, Easier, Safer

TNG has also grown its parking network significantly in recent years. There are now more than 180 parking sites covering major urban areas and cities across Peninsular Malaysia:

- Johor Bahru
- Klang Valley
- Kuantan
- Melaka
- Penang
- Seremban

Say goodbye to queuing at ticketing machines, fiddling for loose change and roaming empty carparks in search for the autopay kiosk.

and many more at:
